Good Morning Gina,

Thanks for the update. Yes, we will need a subpoena with the new date. This may bump into a trial I'm scheduled for in Brockton Superior this week. I'll let you know as soon as I find out.

This is the case that will never go away. The defense attorney called in sick, so we did NOT begin jury selection today. I am scheduled to appear there tomorrow morning to touch base with the court. At the very earliest, I would need you on Wednesday. Do you need me to send another summons for that date?

I will touch base tomorrow morning and let you know exactly what is going on...

Sorry for the inconvenience! (I tried to get the attorney to stipulate, but of course, he won't).

Hi Gina,

That is fine with me.

Thanks,

Kate

Just wanted to make sure on call was ok with both of you since the trial date was pushed out until Monday (21<sup>st</sup>). I spoke w/ the clerk and he said we would not begin testimony until the 22<sup>nd</sup>. I don't believe I would need you until the 23<sup>rd</sup>. I can touch base with you on Monday and Tuesday afternoons to confirm.

Kate and Della,

I just wanted to confirm that you received the summons for the [REDACTED] trial in Woburn Superior Court for 5/14/12. I anticipate that this will be a trial and that we will begin empanelment on the 14<sup>th</sup>. With that said, I don't believe we will actually begin testimony until the 15<sup>th</sup>. I expect that you won't be needed until sometime mid morning on the 15<sup>th</sup> or first thing on 16<sup>th</sup>.

I have typically used an "on call" system with other chemists and am happy to do so in this case. Please let me know what works best for you. Also, if you have standard questions that you would like me to use, please feel free to send those to me. If you have any questions or concerns, please don't hesitate to call me at (781) 897-8923.

Thanks,  
Gina
